Dear Business Owner,

Plans are underway for the **5th Annual Island Strong Music Fest**, which will take place from **Thursday, July 16, through Saturday, July 18, 2026, in Grand Isle, Louisiana.**

Over the past several years, the Grand Isle community has experienced many life-changing challenges, including the impacts of COVID-19 and the devastation caused by Hurricane Ida. As we continue rebuilding our levees, addressing drainage issues, restoring our sports complex, and working on many other important projects that are still underway, we are reminded that progress is only possible through the support of dedicated individuals and businesses who care about this Island.

We are currently seeking community members and businesses who are willing to help support the events and activities associated with the Island Strong Music Fest. **Giving back to our community is our number one mission.** All donations received will go directly toward supporting and sustaining various projects throughout the Island, helping Grand Isle continue to rebuild, grow, and thrive for residents and visitors alike.

With your partnership, we can continue to provide meaningful support to the many projects and initiatives that rely on this funding. Sponsoring the Island Strong Music Fest also provides your business with a unique opportunity to be recognized and advertised to the **thousands of visitors who attend the festival each year**, helping make the event a success.

Please review the enclosed sponsorship proposal and contact us if you have any questions regarding sponsorship opportunities. You may reach:

Matt Rivere – 985-285-3352

Brian Barthelemy – 985-665-7833

**Please note:** If sponsorship packets are not returned before **July 3**, we cannot guarantee that your company name will be displayed on the stage banners as outlined in the sponsorship materials.

Thank you for your continued support of Grand Isle.

Sincerely,

Town of Grand Isle
